Invitation to the International Children Creative and Culture Festival (ICCCF) 3.0

It is our distinct pleasure to extend this exclusive invitation to your distinguished institution to participate in the International Children's Creative and Culture Festival, 3.0, as we continue to inspire excellence, creativity, and cultural exchange on the global stage.

The International Children Creative and Culture Festival (ICCCF) is a nationwide Nigerian programme that nurtures creativity, culture, and learning among young minds. Since its launch in 2019 to prepare children for the Global Art Olympiad and World Children's Festival in Washington DC, it has grown into a vibrant platform where children showcase talents, build confidence, and deepen cultural awareness, while engaging families, schools, and communities. The 2nd edition in Abuja (2025) prepared participants for the upcoming 7th Global Art Olympiad and World Children's Festival, taking place July 25–27, 2026, at the National Mall in Washington DC, with Nigeria represented by its Olympiad winner and the ICCCF coordinator.

The festival is organized in collaboration with the **Female Artists Association of Nigeria (FEAAN)**, **Nigerian Tulip International Colleges (NTIC) Abuja**, **Nike Art Gallery**, **International Child Art Foundation**, **Washington DC**. **CEDARCREST hospital, Abuja**
